Skyhawk Close - New Warehouse Development Airport Industria

Skyhawk Park is a new industrial development in Airport Industria, Cape Town. The park includes four modern units with yard space and premium office components. It is designed for light manufacturing, warehousing, and logistics businesses that require a well-connected, secure, and functional base of operations. Skyhawk Park is located in Airport Industria near Cape Town International Airport. The site gives you direct access to key routes, including the N2 and N1 highways. You're close to Robert Sobukwe Road and Borchers Quarry Road, making movement in and out of the area fast and efficient. The development sits on a public...
